## THE KANSAS CITY TIMES.

Uncle Sam's new colonies will prove source of great interest to the American people generally, and particularly with the rdsidents of the great southwest-the chosen field of the Kansas City. Times. The war has impressed on nearly every reader the necessity of having a live metropolian newspaper.
The second invasion of the Philip-

pines, Porto Rico and Cuba by the commercial forces of the United States will be attended by many interesting evenus. Yankee enterprise with its complement of improved machinery and wide-awake business methods, will effect as startling a revolution as achieved by Yankee sailors and solliers in the recent campaign.

The progress of this peaceful army of business men will be chronicled in the columns of the Kansas City Times. in addition, there will be congressional elections in all the states of the section of heat me a ld. union this fall.

As an indication of the prevailing sentiment of the country, this contest will be fraught with an unusual interest, and in order to keep up with the noves of the political chess board, western readers should keep in touch with events daily transpiring. By means of fast mail trains, the Times is distributed over the greater portion of Missouri, Kansas, Nebraska, Oklahema, Arkansas and Indian Ter-

If you want a live, up-to-date paper orinting all the news and uncompromisingly democratic in the broad westarn sense of the word, you should end your order without delay for the Cansas City Times.

An Affectionate Family. The French minister of foreign af-Charnaga foirs, it is said, asked the king of Siam why he alid not leave his foreign minister at home to take charge of things. "Decause he is my brother," returned Chulalongkorn, with a grim smile; "I should probably have found him on my throne when I got back to Siam." "But? you have your other brother with you." Yes, but his nature is even less benevplent. He would not only have seized my throne, but cut off my head as quickly as I returned." "You all seem on excellent terms together,"exclaimed the astonished Frenchman. "Exactly," said the king, "and as I like to be on good terms with them, I always take them along."

## New Anesthetic.

A new anesthetic, which relieves at once the pain of deep burns, of ulcers, and of cancer, has been discovered by Drs. Eichorn and Heinz, of Munich It is a preparation of benzomethylic ether in the form of a powder, to which the name orthoform has been given.
